

1957 Fourteen Foot Whirlwind Runabout

This boat was placed in dry storage at the death of its owner for 45 years, approximately. It appears to have been refinished one time. I have done some varnish work and repainted the bottom! It has had but two owners. The second owner bought it from the original estate two years ago before trading it up for my bigger Whirlwind! It is in very good, un-restored condition! It is serial number 9770. Check pictures!!

The motor is a 1957 25hp, Evinrude electric start. It is as clean as the boat and runs like a rabbit. It has received a tune up and new seals in the lower unit!

The trailer is a rust free 2008 Trailex with spare wheel and tire. Has an inch and seven eights ball hitch.

The complete outfit is all fresh water usage!

Boat, motor and trailer \$6900.00. or best reasonable offer. If you see it, you'll buy it!

Jim at 757-789-5141. Call before 7pm E.S.T.
Boat located in Onancock, VA 23417
